

RAVENGILL ENERGY PARK LIMITED

ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT)
(SCOTLAND) REGULATIONS 2017**

Notice is hereby given that Ravengill Energy Park Limited (“the Company”) with company registration number SC809424 having its registered office at 10 Newton Place, Glasgow, United Kingdom, G3 7PR has applied to the Scottish Ministers for consent under section 36 of the Electricity Act 1989 to construct and operate a Ravengill Energy Park which comprises of a wind farm and associated infrastructure, including a Battery Energy Storage System (BESS), at a 2,555 hectare (ha) area located in South Lanarkshire approximately 530 m from Leadhills village (at its closest point), 1 km south of Abington village and with the A74(M) motorway located to the east (Central Grid Reference NS 90725 18155). The combined installed capacity of the proposed generating station would be approximately 197 MW comprising 21 turbines with a ground to blade tip height of up to 220 metres and a BESS. The proposed development is subject to Environmental Impact Assessment (EIA) and an EIA Report has been produced.

The Company has also requested a direction under section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the EIA Report discussing the Company’s proposals in more detail and presenting an analysis of the environmental implications, are available for public inspection in person, free of charge, during normal office hours at:

Location	Opening hours	Address

The EIA Report can also be viewed on the application website at <https://www.renewcopower.com/portfolio/united-kingdom/uk-projects/ravengill-energy-park/>; or at www.energyconsents.scot under application reference ECU00006172.

Copies of the EIA Report may be obtained from Renewco Power (telephone: 0141 3196141; or email: info@renewcopower.com) at a charge of £2000 for a hard copy. Free copies of the EIA Report are available on USB storage device. Copies of a short Non-Technical Summary are also available free of charge.

Any representations on the application may be submitted via www.energyconsents.scot, using the relevant Project Name and/or ECU reference number. Please note that you must be in possession of a working email address to submit a representation virtually.

If you would prefer to submit your representation by post, please send to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Written representations should be dated, clearly stating the name (in block capitals) and full postal address of those making representations.

All representations should be received not later than the 25th of August. Scottish Ministers may be able to consider written representations received after this date.

Any subsequent additional information which is submitted by the Company will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

Where Scottish Ministers decide to exercise their discretion to do so, they can cause a public inquiry to be held.

Scottish Ministers will determine the application for consent in one of two ways:

- Grant consent, with or without conditions attached; or
- Refuse the proposal.

General Data Protection Regulations

The Scottish Government processes representations under the Electricity Act 1989. To support transparency in decision making, the Scottish Government publishes online at www.energyconsents.scot.

A privacy notice is published on the Help page at www.energyconsents.scot. This explains how the Scottish Government processes your personal information. If you have any concerns about the processing of your personal information by the Scottish Government, please email EconsentsAdmin@gov.scot or write to Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU.
